

## Low Voltage Electrician - WA EL-06

**Pay:** \$45.00 - \$50.00 per hour

**Job Title: Journey Level Technician (Immediate Openings: 6 Positions)**

**Salary:** Dependent on Experience & Certifications. We will consider the candidate's overall experience to offer an appropriate wage.

**Position Type:** Field Role

**Company Overview:**

We are a Low Voltage Contractor and Systems Integrator operating in Washington, Oregon and Idaho. Our Tacoma team works across various facilities, including schools, churches, military bases, hospitals, clinics, and other healthcare environments.

---

**Company Focus Areas:**

- Data Network Construction and Cabling
- Copper and Fiber Optic Cabling
- CCTV / Security Systems
- Access Control Systems
- Distributed Antenna Systems
- Healthcare Communications
- Systems Integration

**Responsibilities:**

- Perform cable installation, assembly, programming, and system repairs
- Update as-built drawings and project documentation
- Contribute to system integrations and installations

We seek an experienced, motivated, customer-focused individual with a strong work ethic and leadership potential to join our team. Our expertise encompasses all facets of low voltage cabling, systems installation, programming, and integration.

---

**Qualifications:**

- Willingness to travel as required by project needs
  - Per diem for meals provided; hotels paid for
- Flexibility to work nights and weekends when necessary
- Ability to work different shifts, sometimes within the same week
- Valid Washington Driver's License with no major infractions (license will be verified)
- Ability to pass a color vision test
- Dependable personal transportation (company vehicle provided for qualified candidates)
- Successful completion of a criminal background check
- Effective written and verbal communication skills
- Professional attitude and appearance, especially when working directly with high-level clients
- Ability to work well both independently and as part of a team

- Leadership skills are a plus, as there are opportunities to serve as a team lead or project foreman
  - Trustworthy, with integrity and a strong work ethic
  - Own hand tools and safety gear
- 

If you are a dedicated professional with the necessary skills and motivation, we encourage you to apply to join our dynamic team.

#### Physical Requirements:

- Heavy lifting, bending, climbing ladders, working on lifts high above the floor, standing on your feet most of the day are the minimum physical requirements that must be met.
- We do work on military installations, schools, colleges & hospitals as well as other facilities.

**\* 99.9% of our work is indoors!**

**\* Veterans are encouraged to apply! Veterans with electronics experience a huge plus!**
