

Job description

Propane Driver

Co-Op Gas & Supply has been in business for 90 years. Our moto: Neighbors Helping Neighbors. We offer great benefits and employee discounts. We are looking for a driver who is familiar with the area.

No propane experience required but is preferred.
Must have at least a Class B CDL with HAZMAT and TANKER endorsements.
Must pass a drug screening test and a background test.

Our driver must operate a bobtail propane truck safely and efficiently. Driver will also do bulk petroleum deliveries. Will also on occasion operate a boom truck. Drivers will be responsible for making sure all residential and commercial propane tanks and petroleum tanks are filled on time and done safely. All corresponding documentation must be done correctly.

Chain up the truck when necessary.

Perform all routine maintenance on truck and document accordingly. You will notify your supervisor if issues need to be fixed. The truck will be kept clean.

Adhere to all Safety Programs and policies.

You will be expected to be able to perform system safety checks on any structure which we are servicing with propane and document accordingly.

You will work closely with the Propane Manager to maintain customer relations and ensure a safe work environment.
