

Pacific Weatherization

Now Hiring: Entry-level Weatherization Technician

About Us

Pacific Weatherization is a family-owned, values-driven company based in Lewiston. We improve home comfort and efficiency through insulation, air-sealing, and energy upgrades. Our team values safety, craftsmanship, and steady growth and we're looking for someone who wants reliable work, supportive coworkers, and a chance to build lasting skills.

What You Can Expect:

Hours: 25–40 hours/week

Schedule: Some flexibility depending on the project phase

Location: Local job sites in the Lewiston–Clarkston/Palouse area

Start Date: ASAP

Pay: Starting at \$18–\$22/hr DOE and project type, with regular opportunities to advance

Environment: Respectful, safety-first, team-oriented

Training: On-the-job support **no prior experience required**

What You'll Do

- Assist with day-to-day weatherization tasks
- Carry, stage, and organize materials
- Keep job sites clean, safe, and ready for the next phase
- Support technicians and field leads
- Help with insulation, air-sealing, and minor repairs
- Operate basic tools (training provided)
- Learn real-world building practices and jobsite professionalism

How to Apply:

Visit collomco.com and click on the Employee Portal button in the footer, then follow the instructions or email brenna@collomco.com
